#### Gulp!

Now you and your location can cash in on the popularity, interest and profits associated with sharks. Shark JAWS is a completely different, **all new** video concept. Its small size and attractive, long-wearing panel graphics make Shark JAWS an ideal 1-player addition to **any** location environment.

**Killer.** Exclusive Atari built-in features consume the competition, put extra teeth into earnings.

**Large 19" Monitor.** The face of Shark JAWS is covered with an eerie blue overlay to simulate an underwater environment, add to the excitement **Attention-getting cabinet.** Graphics (double anodized on the control panel for long wear) are designed to instill terror and attract the heavier players wherever they swim. Players can't resist flirting with disaster at the jaws of the underwater predator.

**Joystick control** lets the diver try to spear fish, save himself from being eaten.

**Locking cashbox** holds the coins watertight. **Hinged cash door,** key operated, allows for ease of collection.

**Operator-adjustable game time** lets you control the profits.

**Unlimited Action.** Shark JAWS is built to stay in action. Durastream™ tested circuits, built-in solid state reliability means less down-time, less service hassle, more continuous income.

Rugged vinyl-clad plywood construction, easy access to internal components, fast 24-hour parts response keeps the income non-stop.

**Dimensions:** Height 53½" (135.6 cm). Width 25½" (64.1 cm). Depth 23½" (59.7 cm). Shipping Weight 196 lbs (88.98 kg).

**Be the first in your ocean.** Order your Shark JAWS while there's still time to get away. Shark JAWS is closing in fast... on big profits, so don't fall behind.
